WHAT ABOUT US.... Garage is a classic diner with a creative modern twist on your old favorites. Our menu is inspired by classic diners, old favorites, comfort food, and backyard recipes.... all rolled into a casual setting in a genuine 1940's Gulf gas station. Virtually every inch of this history-rich building has been enhanced in an attempt to bring it back to its original grandeur of the days when the neighborhood poker game was in the basement (referred to as the "Gold Room" because of the gold drapery covering the walls) and haircuts were offered on the wooden main floor. The feel, food, drinks, and the friends all come together at this classic neighborhood diner. We hope you enjoy your experience and feel the history that is all around you!
